

ISCHEMIC STROKE

Everything you need to know to help protect yourself from the nation's leading cause of disability and third leading cause of death.

Scott & White presents Dr. Jeremiah Lanford of the Scott & White - Round Rock Department of Neurology, director of the Stroke Program, as he discusses and addresses questions regarding the recognition of signs and symptoms of stroke, risk factors, emergent treatment and prevention of ischemic stroke.

Please join us for this FREE event

Tuesday, August 25 from 3:30 - 5 p.m.

Sun City Ballroom

2 Texas Drive, Georgetown, TX

Everyone is welcome. No RSVP is required to attend.

For more information, please call 254-724-7911.

Directions to Sun City: I-35 South exit #262 (I-35 North exit #261) Georgetown - Andice (Williams Drive 2338), continue west about five miles to the Sun City Del Webb entrance (Del Webb Boulevard). Turn right on Texas Drive. Turn at second left into parking lot. Use entrance at front right of buildings; the ballroom is to the right.
