**Journal Articles**

Chavez AH, Reilly TP, Bird ET. Vena cava air embolism after traumatic Foley catheter placement. **Urology** 73[4], 748-749. 2009.

Kavoussi PK, Bird ET. Validation of a vasoepididymostomy predictor model: is vasoepididymostomy truly predictable preoperatively? **Fertility and Sterility** 92[1], 180-181. 2009.

Lee GK, Lim AF, Bird ET. A novel single-flap technique for total penile reconstruction: the pedicled anterolateral thigh flap. **Plastic and Reconstructive Surgery** 124[1], 163-166. 2009.

Bird ET. Editorial comment. **Journal of Urology** 175[1], 194-195. 2006.

Wagner KR, Milleman JT, Bird ET. Successful one year follow-up of percutaneous urethral substitution using tubularized porcine small intestine submucosa (SIS). **Journal of Endourology** 20, A248. 2006.

Bird ET, Parker BD, Kim HS, Coffield KS. Caffeine ingestion and lower urinary tract symptoms in healthy volunteers. **Neurourology and Urodynamics** 24[7], 611-615. 2005.

Ho KL, Witte MN, Bird ET, Hakim S. Fibrin glue assisted 3-suture vasovasostomy. **J Urol** 174[4 Pt 1], 1360-1363. 2005.

Bird ET, Huckabay C, Waxman JA. Endoscopic evangelism: unique presentation and management of perforating urethral foreign body. **Urology** 64[6], 1229-1230. 2004.

Ho KL, Witte MN, Bird ET. 8-ply small intestinal submucosa tension-free sling: spectrum of postoperative inflammation. **Journal of Urology** 171[1], 268-271. 2004.

Parker BD, Frederick RW, Reilly TP, Lowry PS, Bird ET. Efficiency and cost of treating proximal ureteral stones: shock wave lithotripsy versus ureteroscopy plus holmium:yttrium-aluminum-garnet laser. **Urology** 64[6], 1102-1106. 2004.

Bird ET, Hakim S. Cannulization of a bladder diverticulum after radical retropubic prostatectomy: an unusual cause of anastomotic leakage with a patent catheter. **Urology** 62[3], 550. 2003.

Miller Q, Peyton BD, Cohn EJ, Holmes GF, Harlin SA, Bird ET, Harre JG, Miller ML, Riley KD, Hogan MB, Taylor A. The effects of intraoperative fenoldopam on renal blood flow and tubular function following suprarenal aortic cross-clamping. **Annals of Vascular Surgery** 17[6], 656-662. 2003.

Smith CP, Somogyi GT, Bird ET, Chancellor MB, Boone TB. Neurogenic bladder model for spinal cord injury: spinal cord microdialysis and chronic urodynamics. **Brain Research. Brain Research Protocols** 9[1], 57-64. **2002.**

Kim YH, Bird ET, Priebe M, Boone TB. The role of oxybutynin in spinal cord injured patients with indwelling catheters. **Journal of Urology** 158[6], 2083-2086. **1997.**

### **Presentations**

Wagner KR, Milleman JT, Bird ET. Successful one-year follow-up of percutaneous urethral substitution using tubularized porcine small intestine submucosa (SIS). **2006.**  
2006 World Congress of Endourology. Cleveland, OH.

Wagner KR, Caraway WA, Coffield KS, Bird ET. Practice patterns in prostate biopsy strategy among Texas urologists. **2004.**  
2004 Texas Urological Society Annual Meeting. San Juan, Puerto Rico.

### **Video Recording**

Wagner KR, Bird ET, Kavoussi PK, Lowry PS, Probe RA, Symmonds RE. Robot-assisted laparoscopic ileovesicostomy. **2008.**  
Winter Meeting of the Society of Female Urology and Urodynamics (SUFU), Miami, FL, 2008
