

Dr. T.M. Bittenbinder
Reference List

Journal Articles

McAllister RK, Meyer TA, Bittenbinder TM. Can local anesthetic-related deaths during liposuction be prevented? **Plastic and Reconstructive Surgery** 122[6], 232e-233e. 2008.

McAllister RK, Meyer TA, Bittenbinder TM. Are guidelines needed for the perioperative discontinuation of phosphodiesterase type 5 inhibitors? **J Clin.Anesth.** 20[7], 560-561. 2008.

McAllister RK, Payne MN, Bittenbinder TM. Disruption of water trap from leak of isoflurane during the vaporizer filling process in the Drager Apollo. **Anesthesiology** 107[3], 514. 2007.

McAllister RK, McDavid AJ, Meyer TA, Bittenbinder TM. Recurrent persistent hiccups after epidural steroid injection and analgesia with bupivacaine. **Anesthesia and Analgesia** 100[6], 1834-1836. 2005.

McAllister RK, Borum SE, Mitchell DT, Bittenbinder TM. Thoracic motor paralysis secondary to zoster sine herpette. **Anesthesiology** 97[4], 1009-1011. 2002.

Borum SE, Bittenbinder TM, Buckley CJ. Transesophageal atrial pacing reduces phenylephrine needed for blood pressure support during carotid endarterectomy. **J Cardiothorac.Vasc.Anesth.** 14[3], 277-280. 2000.

Borum SE, Bittenbinder TM, Buckley CJ. Transesophageal atrial pacing reduces phenylephrine needed for blood pressure support during carotid endarterectomy. **Anesthesia and Analgesia** 86[4], SCA78. 1998.

Book Chapter

Bittenbinder TM, McLeskey CH. Geriatric surgery. **Essence of Anesthesia Practice**, Philadelphia, W.B. Saunders, 2003.

Presentations

Meyer TA, McAllister RK, Bittenbinder TM, Montemayor E. Incidence of eating disorder patients undergoing surgery. 2008.

Presented at the Annual Meeting of the American Society of Anesthesiologists, Orlando, FL., October 2008

Bittenbinder TM. Perioperative beta blockade in 2007. 2007.

Presented at TexMed 2007, Dallas, TX, April 28, 2007

Bittenbinder TM. Cerebral aneurysms and anesthetic management in 2006. 2006.

Presented at the Spring Anesthesiology Symposium, Austin, TX., April 21, 2006

Bittenbinder TM. Rational approach to perioperative beta blockade. 2005.

Speech

Bittenbinder TM. Cerebral aneurysms and anesthetic management in 2006. **2006.**
